Class of 2016,

Sooner or later we all knew that these 4 yrs would come to an end. Loling bc we barely made it. But before we pce out of MHS, lets all take the time to remeber the gr8 times we've had. 2016 has been a year of memories made; #lastfirstday sm fun @ football games #prom, and so many more. We have had the privilage of being able to share all of these memories though social media, and used it as a way to connect as a class and post our favorite experiences. No ne knows what the future will bring, but that's what makes the next chapter in our lives so exciting.

Thx 4 keeping it real MHS. Tyl and luv you all.

"You cannot connect the dots looking forward; you can only connect them looking backward. So you have to trust that the dots will somehow connect in your future. You have to trust in something- your gut, destiny, life and karma, whatever."

iMessage to Advisors

Dear Mr. Malley & Mr. Tannetta,

For the past four years, you have worked countless hours to make our high school experience enjoyable. With your help, we have charged into four Spirit Weeks, two Froshmore Dances, a craft fair, a Halloween Dance, Junior Prom, a Talent Show, and our Senior Prom at the legendary Gillette Stadium.

Mr. Malley, you have been with us since the beginning. You came to Melrose High the same year we did, and we learned together. Your imaginative thinking and friendliness helped us create new ideas. Freshman year posed to be challenging, but with you as our advisor the year turned out successful with a productive student government.

Mr. Tannetta, entering our sophomore year, you joined the Class of 2016. Through fundraising and collecting class dues you led us on a path of orderliness and hard work. Though baby Maeve was just born, you continued to spend hours every day working with us to provide for our class. Without you, we would not be going to Gillette for prom.

On behalf of the Senior Student Government and the Class of 2016, we thank you. We appreciate your efforts in helping make our high school careers memorable. Your endless support and involvement demonstrate the expectations and high standards you held for our class.

Sincerely,
Andrew Fox - President
Christian Hashem - Vice President
& The Class of 2016

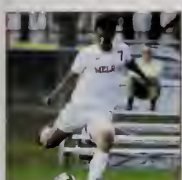

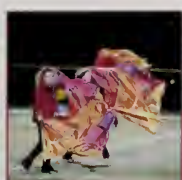

Congratulations
&
Good Luck

Congratulations Joe!
Fourth generation Melrose High School graduate

Dearest Lexi, Madeleine and Thea,

You found one another early in your Lincoln School days. Your friendship blossomed with playground games, after school playdates and family gatherings. For 12 years, you have supported one another through happy times and sad times. While life experiences have led you down separate paths over the years, your friendship remains true. We, your parents and families, couldn't be more proud of the friendship you've shared and the adults you've become!

From your first day of Kindergarten to your last day of high school, you have made us nothing less than proud. We've enjoyed watching you play volleyball, sing in chorus, perform in drama and cheer at the football & hockey games. To be on the honor roll all 4 years of high school and inducted into the National Honors Society, is no small feat. Meaghan, may your success continue in college and know that we will always be there to support and love you every step of the way. You have big dreams and there is no doubt that you will make them come true! Love you always, Mom & Dad
